### Who are we and what do we want?

This research project is conducted by Oliver Alexander Tafdrup, PhD Fellow at Future Technology, Culture & Learning, Aarhus University and Stina Hasse, PhD Fellow at Department of Arts and Cultural Studies, University of Copenhagen.

We wish to record your interactions with NAO on the Medical Museum, and our discussions in class on video and also interview you about your experience with the robot.

### What do I consent to?

By signing this document I consent that the information I provide can be used in the research project in accordance with conventional standards and ethical guidelines of academic research. This entails that the statements I provide in interviews and the actions I conduct on videotape can be used as basis for analysis and thus also published in peer reviewed publications and our blog <https://robotatthemuseum.wordpress.com/> provided that my real name and/or personal details are not reproduced.
